Next Release:
R1.11 tentatively planned for early February.

ID	Category	Description
DE4511	BCA Interface	Send legacy flags in BCA Inquiry interface
DE5255	BCA Interface	Ensure current title and registration provided in BCA Inquiry interface
DE5479	BCA Interface	Include vehicles with no color indicated when BCA searches for a particular color
DE4700	Fees	Do not charge Initial Contribution fee for Proud to be a Vet with 7 year replacement when in arrears
DE4874	Fees	List Sales Tax Refund as a negative value on the Cashiers Office Closeout Page.
DE5075	Fees	Charge $25 Registration Tax for School Bus
DE5082	Fees	Do not charge a personalized plate replacement fee when only the sticker is being replaced
DE5298	Fees	Charge correct registration tax when converting from Commercial to Permanent Trailer
DE5711	Fees	Correct the Wheelage Tax amount that displays in On-Line Renewal
DE5747	Fees	On a Apply for Title or Title transfer of a collector vehicle, calculate zero Sales Tax due when the trade in amount is greater or equal than the purchase price.
DE5441	Fleet	Do not send individual pre-bills for Fleet vehicles
DE4683	Inquiry	Fix issue where vehicle data migrated from legacy won't display in MNLARS
DE5295	Lien	Allow DVS staff to release a lien on the Review and Complete page
DE4229	Performance	Improve performance of PPQ Search by Owner
DE5412	Performance	Improve performance around retrieving Registration information
DE5526	Performance	Improve performance around saving and retrieving the plate number
DE5527	Performance	Improve performance around searching for a Vehicle/Title by DL Number
DE5556	Performance	Improve performance around retrieving Title Information
DE5059	Plates	Stop sending the prior plate to be produced by MINNCOR after an On-line Renewal customer cancels their transaction and completes their renewal with plate replacement at a Deputy Registrar
DE5242	Plates	Allow new plate on Change of Class from Personalized Collector
DE5243	Plates	Allow Personalized Collector Plates to be ordered.
DE5245	Plates	Allow order and update of Original Plates in Replace and Remove
DE5261	Plates	Allow Special Plates Clerk to update to customer's 2nd choice. Ensure that is what is ordered.
DE5268	Plates	Make Replace/Remove available when replacing a semi-trailer plate
DE5882	Plates	Ensure that new plate types offered starting January 1st, continue to be correctly set as effective on January 1st after the R1.11 rollout
US9123	Refunds Feature	Provide DVS the ability to issue refunds to customers.

DE4925	Registration	Migrate 6000+ Owner Names from Legacy to allow for On-line Tab Renewal. These did not migrate successfully at go-live due to conjunctions included with the First Name in legacy.
DE5061	Registration	Correct the Start and End date error that has occurred when saving data to the database for an On-line Renewal transaction.
DE5191	Registration	Print the latest Title, not the Base Title, more than one Registered Owner on the Reg Card.
DE5455	Registration	Save an address change in On-line Renewal
DE5459	Registration	Print DVS Logo and Address on printed reg renewal/cab card
DE5469	Registration	Do not allow vehicles with impounded plates to renew via On-line Renewal
DE5685	Registration	Include Registered Gross Weight on the Cab Card
DE5688	Registration	Change the Mail Registration threshold from $1 to $5. Payments within $5 of the MNLARS calculated due amount will be processed instead of being kicked out.
DE5719	Registration	Resolve the "Invalid Application Error. Sticker must be provided" error when performing a conversion from Commercial to Permanent Trailer.
DE5986	Registration	Fix the problem where fees are not displaying in the Registration Panel for sale dates of 2017 or older.
US9659	Registration Feature	Enhance the Mail Registration interface to process Miscellaneous Class.
DE4528	Title	Create Transaction History on In Flight Apply for Title and Title Transfer
DE4845	Title	Ensure all 'Issued' titles get printed.
DE5013	Title	MNLARS will search to see if the VIN already exists when performing an In Flight Title Transfer
DE5234	Title	Fix the MC Engine number issue that blocks Title Transfers. Those are Engine Numbers from legacy with other than letters and numbers and dashes in them.
DE5662	Title	Fix the problem that blocks issuance of Title Only applications from the DVS T & R Queue
DE5676	Title	Include a link to allow legacy migrated titles with Deputy resolved deficiencies to be approved/issued
DE5886	Title	Set the Title Issue Date properly. This defect has caused sporadic issues with Title Printing and Lien Card production.
DE6000	Title	Allow legacy migrated titles with Deputy resolved deficiencies to be approved/issued from the DVS T & R Queue
DE6047	Title	Put legacy migrated titles with Deputy resolved deficiencies on the DVS T & R Queue
DE5211	Title and Reg	Fix the issue that occurs when Domiciled County is empty as it keeps data from displaying on some records.
