President Trump,

I write to request that you direct the Department of Justice to open a criminal investigation into Minnesota Governor Tim Walz and Attorney General Keith Ellison for their roles in the systemic fraud that has devastated Minnesota's public programs.

While federal authorities are already prosecuting the fraud itself, the scope, duration, and scale of these schemes raise unavoidable questions about the conduct, nonfeasance, and potential complicity of the state's highest officials. This level of failure does not occur in a vacuum. The continued inaction by these leaders, despite repeated warnings and mounting evidence, warrants criminal scrutiny.

Minnesota citizens who love our nation and support your America First policies are demanding accountability. Minnesotans are struggling, and the fallout from this fraud reaches far beyond financial loss. Lives are being ruined and communities are being torn apart. This crime cries out for justice, and it is clear that only your action can secure it.

I respectfully ask that you direct the DOJ to investigate the actions and inactions of Governor Walz and Attorney General Ellison and to pursue all appropriate charges if violations are found.

Thank you for your leadership and your commitment to restoring integrity and the rule of law.

Respectfully,

A handwritten signature in black ink, appearing to read "Michael Holmstrom", with a long horizontal flourish extending to the right.
